Unless otherwise agreed in writing, the Services carried out by RENK shall be paid on a time and cost basis and RENK shall provide the Purchaser with a price estimate of the Services after fault tracing, but before undertaking any remedial or other work. The price estimate shall not be binding.
- 5.2. If the Purchaser at any stage chooses not to proceed the Contract for Services to be paid on a time and cost basis or if the Services are not carried out or completed due to any reason except for RENK's default, the Purchaser shall pay RENK for the Services and other work RENK has performed and still has to perform in order to wind up the Services at RENK's current rates, including without limitation fault tracing, establishing the price estimate, and any other documented costs incurred in performing and winding up such Services.
- 5.3. If a lump sum has been agreed upon, and if at any stage the Purchaser chooses not to proceed the Contract or if the Services are not completed for any reason except for RENK's default, the Purchaser shall pay the lump sum, after deduction of such costs which have not been incurred by RENK.

RENK may in addition, after having notified the Purchaser thereof, until it receives payment, suspend its performance of the Contract and/or retain the Equipment and other property of the Purchaser, which may be in its possession. The Purchaser shall in case of such suspension compensate RENK for any additional costs incurred due to such suspension and resumption of the Services. If the Purchaser has not paid the amount due within three (3) months, RENK shall be entitled to terminate the Contract by notice in writing to the Purchaser and, in addition to the interest and recovery costs according to this Clause, to claim compensation for the loss it incurs.

6. Taxes

- 6.1. Except as agreed otherwise, prices are stated net of statutory turnover tax, sales tax, value-added tax or other similar taxes (hereinafter referred to as "turnover tax or similar taxes"). Any payable turnover tax or similar taxes shall be added to the prices. This shall not apply if the Purchaser is legally liable to pay the turnover tax or similar taxes and/or the reverse charge process is applicable. If the Purchaser's national legislation demands the application of the reverse charge procedure or any other simplified procedure which obliges the recipient of a supply or service to self-assessment or the withholding of turnover tax or similar taxes, the Purchaser shall be obliged to make such self-assessment and/or withholding and to pay the respective amount over to the competent fiscal authorities within the periods allowed. If the application of the reverse charge procedure or any other procedure is optional, RENK will inform the Purchaser whether or not such a procedure is to be applied. The Purchaser shall support RENK to the best of the Purchaser's ability in obtaining a tax exemption and/or satisfying the conditions of zero-rating. Upon RENK's request, the Purchaser shall transmit to RENK all documents requested by RENK in this context within fourteen (14) calendar days (for instance, exemption certificates for supplies, evidence of intra-EU delivery or export certificates).

If RENK is obliged to pay turnover tax or similar taxes under this item due to the Purchaser's failure to comply with its duties, the Purchaser shall reimburse RENK for such turnover tax or similar taxes, unless the Purchaser is not responsible for the violation of this duty.

- 6.2. The Purchaser and RENK shall each be responsible for the payment of their own taxes on income.
- 6.3. Payments subject to tax withheld at source shall be governed by the following provisions:
 - 6.3.1. If the Purchaser is legally obliged to withhold taxes from the payment to be made to RENK in the name and on behalf of RENK and to pay the same over to the local fiscal authority, the Purchaser shall be responsible for complying with this obligation. If the Purchaser fails to comply with this obligation and fails to withhold and pay such tax over to the fiscal authorities in whole or in part, the Purchaser shall compensate RENK for any loss resulting from a subsequent tax claim, unless the Purchaser is not responsible for the violation of this duty. RENK shall be responsible for satisfying the formal conditions of a possible reduction of the withholding tax rate (if applicable down to zero-rating). Any required applications and residence certificates shall be provided by RENK. The Purchaser shall support RENK to the best of its ability in obtaining a reduction of the withholding tax (if applicable down to zero-rating).
 - 6.3.2. If (a) a double taxation agreement ("DTA") exists between Germany and the country of residence of the Purchaser or the country in which the activities are carried out by RENK, and (b) the conditions for a reduction of the withholding tax (if applicable down to zero-rating) are satisfied under the applicable DTA, the Purchaser may only retain the maximum withholding tax amount specified by the applicable DTA from the payments to RENK. If the conditions under (a) and (b) are not satisfied, the Purchaser may only withhold the withholding tax at the rate applicable under the national law of the country of residence of the Purchaser or the country in which the activities by RENK are carried out and shall pay the same over to the local fiscal authorities in the name of RENK and in a timely manner.
- 6.4. The Purchaser shall promptly send RENK a proper tax certificate on the transfer of the tax withheld at source in RENK's name. If the proper tax certificate is not sent or is not sent in due time, the Purchaser shall bear any and all tax disadvantages resulting for RENK from the omitted or delayed provision of the official tax certificate, unless the Purchaser is not responsible for the violation of this duty.

All non-public, confidential or proprietary information ("Confidential Information") disclosed by one party to the other (whether before or after the formation of the Contract) relating to the Services, the Contract or the business of the disclosing party, shall remain the property of the disclosing party and the disclosing party reserves all proprietary, copyright, patent and other intellectual property rights therein. The receiving party shall refrain from acquiring Confidential Information by observing, studying, disassembling, testing or reverse engineering of any products, spare parts, software or other tangible objects provided by disclosing party under the Contract.
- 7.2. 9. Purchaser's Delay

- 9.1. The Purchaser shall immediately notify RENK if it cannot let RENK carry out the Services at the agreed time. Any agreed time for completion of the Service shall then be extended as necessary having regard to all relevant circumstances. The Purchaser shall reimburse RENK for any additional costs that the latter incurs due to delay in carrying out the Services which is not attributable to RENK, including but not limited to costs for:

- 9.2. The costs for each of the foregoing items shall be reimbursed as incurred. If, however, any price list currently applied by RENK covers the situation, such price list shall be applicable.

10. Supplier's Delay

- 10.1. If RENK for reasons attributable to it, fails to complete the Services by the agreed time, the Purchaser may by notice in writing to RENK fix a reasonable final period for completing the Services, which shall not be less than one week. If RENK for reasons attributable to RENK fails to fulfil its obligations within such final period, the Purchaser may terminate the Contract by notice in writing to RENK and may itself carry out or employ a reasonably skilled third party to carry out the necessary work.
- 10.2. Where such work has been undertaken by the Purchaser or a third party pursuant to Clause 10.1., RENK shall reimburse the reasonable costs thereof incurred by the Purchaser as well as any remuneration already paid by the Purchaser to RENK pursuant to Clause 5.1. related to such part of the Services which proved to be of no benefit to the Purchaser, the aforementioned payments being in full settlement of RENK's obligations with regard to the failure to complete the Services by the agreed time.

Any failure of the Services and any spare parts provided by RENK when performing the Services to conform to this warranty, subject to Clause 14.2, is hereinafter referred to as "Defect(s)".

Where the Defect may cause damage, the Purchaser shall immediately inform RENK in writing. The Purchaser shall bear the risk of damage to Purchaser's or any third parties' property, including the Equipment, resulting from its failure so to notify. The Purchaser shall take reasonable measures to minimize damage and shall comply with any related RENK instructions.
- 14.5. On receipt of the notice under Clause 14.4, RENK shall at its own cost remedy the Defect within reasonable time, as applicable and in the reasonable discretion of RENK, by re-performing the defective Service and/or repairing or replacing any defective spare parts provided by RENK when performing the Services. The time for the remedial work shall be chosen in order not to interfere unnecessarily with the Purchaser's activities.
- 14.6. Remedial works performed under warranty shall be carried out at the place where the Equipment is located, unless RENK deems it more appropriate that the Equipment be sent to a destination specified by it. If the remedial works can be performed by replacement or repair of a defective part and if dismantling and re-installation of the part do not require special knowledge, RENK may require that the defective part is sent to a destination specified by it. In such case, RENK shall have fulfilled its obligations in respect of the Services when it delivers a duly repaired part or a replacement part to the Purchaser.
- 14.7. The Purchaser shall at its own expense provide access to the Equipment and arrange for any intervention on components except for the Equipment, to the extent necessary for RENK to perform the remedial works.

- 14.13. Where the Defects have not been successfully remedied, as stipulated under Clause 14.11:
- 14.13.1. the Purchaser shall be entitled to a reduction of the Contract price in proportion to the reduced value of the Service, or
- 14.13.2. where the Defect is so substantial as to deprive the Purchaser of the benefit of the Contract as regards the Service, the Purchaser may terminate the Contract by notice in writing by a document signed by Purchaser to RENK. The Purchaser shall then be entitled to compensation for its loss, costs and damages within the limitations provided for in Clause 18.

A party suspending its performance of the Contract shall forthwith notify the other party thereof in writing.

16. Force Majeure

- 16.1. Either party shall be entitled to suspend performance of its obligations under the Contract to the extent that such performance is impeded or made unreasonably onerous by Force Majeure, meaning any of the following circumstances: industrial disputes and any circumstance beyond the control of the parties including, without limitation, fire, war, extensive military mobilization, insurrection, requisition, seizure, embargo, restrictions in the use of power, currency and export restrictions, epidemics, natural disasters, extreme natural events, terrorist acts and defects or delays in deliveries by sub-contractors caused by any such circumstance referred to in this Clause.
- A circumstance referred to in this Clause whether occurring prior to or after the formation of the Contract shall give a right to suspension only if its effect on the performance of the Contract could not be foreseen at the time of the formation of the Contract.
- 16.2. The party claiming to be affected by Force Majeure shall notify the other party in writing without delay on the intervention and on the cessation of such circumstance. If a party fails to give such notice, the other party shall be entitled to compensation for any additional costs which it incurs and which it could have avoided had it received such notice.
- 16.3. Either party shall be entitled to terminate the Contract by notice in writing by a document signed to the other party if performance of the Contract is suspended under Clause 16.1 for more than three (3) months.

17. Assignment, Subcontracting

Neither party may assign the Contract or any claims arising therefrom to a third party. RENK may, however, subcontract performance of the Services or any part thereof to a third party. Such subcontracting shall not in any way affect RENK's obligations under the Contract.

18. Limitation of Liability

- 18.1. Notwithstanding any other provision in these General Conditions or the Contract, whether by way of indemnity or by breach of contract, statutory duty, tort, negligence, or otherwise, and whatever the cause thereof: a) RENK shall not be liable for loss of production, loss of profit, loss of use, loss of contracts, loss of data, or for any special, consequential or indirect loss or damage of any nature whatsoever in connection with the Contract, and (b) the total overall liability of RENK shall not exceed 100% of the Contract price.
- 18.2. The limitations or exclusions of liability provided in Clause 18.1 shall however only apply to the extent permitted by applicable mandatory laws and shall not apply in case of gross negligence or willful misconduct.

19. Disputes and applicable law

- 19.1. All disputes arising out of or in connection with the Contract shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by one or more arbitrators appointed in accordance with the said Rules. The arbitral proceedings shall be held in English.
- 19.2. The Contract shall be governed by the substantive law of Switzerland.
